

## Get Up and Going with Forecast 5: We make it easy!

---

You will be ready to budget smarter in just 3 simple steps:

**Step 1.** Install Forecast 5

**Step 2.** Migrate Data

**Step 3.** Start Budgeting!

**But if you get stuck, [We Can Help!](#)**

### Set-Up

For those purchasing network licenses, you may require assistance with getting Forecast 5 setup the way you want, e.g. database stored in a central location and PC's need access. Or if you have purchased one of accounting package integrations, we can help get you connected. Our **well-trained and knowledgeable** support team are **standing by to help you!** Schedule your install to even further simplify your setup process.

### Training

It is important to us that you can take full advantage of all the impressive features that Forecast 5 has to offer so **your business can reap the benefits** of saved time, money and resources. We hold regular online training sessions made up of two one-day courses - Essentials and Advanced. Or, if you would prefer a private session, we can come onsite for a full day or more and train your whole staff. Talk to us today about what is best for your business!

### Support

We talk to our customers and they talk to us. **No 0800 numbers, No overseas call centre.** At Forecast 5 we're 100% committed to supporting our customers. With a free 24/7 Knowledge Base, you will never be left out in the cold! **We're all about NZ and passionate about seeing your business thrive.**

---

*Don't get trapped in the never-ending cycle of panic and uncertainty.  
Invest your time wisely and move beyond spreadsheets to the most  
comprehensive budgeting software available, Forecast 5.*
